If using Project-Based Vouchers (PBVs), provide the projected number of project based units and general locations, and describe how project basing would be consistent with the PHA Plan.</p> <p>The Housing Authority of the County of Santa Cruz plans to apply to HUD for Streamlined Voluntary Conversion (SVC) of AMP Number CA072000001 for the 234 public housing units. This SVC as specified in PIH Notice 2019-05, states this is authorized by Section 22 of the United States Housing Act of 1937, and it's implementing regulations at 24 CFR 972, Part B, authorizing PHAs to convert public housing to tenant-based assistance. If the SVC is approved, all existing eligible public housing residents would receive Tenant Protection Vouchers (TPVs). All residents would have the right to remain in their existing unit paying an affordable rent. Low-income residents who are income eligible and receive Tenant Protection Vouchers would also have the right to transfer their assistance to another unit in the private market using a Section 8 Housing Choice Voucher. Additionally, the units will remain online and available for rental housing, with no demolition or rehabilitation work planned. Therefore, no relocation activities are anticipated. The units will remain designated for rental housing for low-income families in perpetuity. Upon completion of the conversion, the Agency will close out our Low Income Public Housing Program. Through this Agency Plan update, the Housing Authority expresses intention to apply for Section 22 Streamlined Voluntary Conversion, including SVC removal action and PHA submission of removal application to HUD.</p> <p>Project Based Vouchers: The Housing Authority of the County of Santa Cruz has a Request for Proposals posted on the website to support the Agency's goal of expanding the supply of affordable housing. In the coming year, the Housing Authority projects expanding our current number of 196 PBV units with an additional 115 PBV units (48 at Sunrise Senior Apartments in Hollister 33 at Water Street Apartments in Santa Cruz, 11 at Jardines del Valle and 23 at Villas del Paraiso, both in Watsonville. While 81 additional project based units are currently planned, the Housing Authority may elect to project base additional units up to HUD limits, as allowed by program regulations. Project based units may be located anywhere in the jurisdiction of the Housing Authority. Project basing units is consistent with our PHA plans as it expands the supply of affordable housing and expands housing opportunity for low-income families throughout our jurisdiction.</p> <p>Units with Approved Vacancies for Modernization: Prior to filling a vacant LIPH unit, HA staff will determine if the unit needs to be modernized. If a unit is approved for modernization that work can include any and all of the following activities: new flooring and base, plumbing fixtures, lighting fixtures, appliances, window coverings, counter tops and back splashes, hardware for doors and cabinets, heater, water heater, doors and any other interior components that need to be replaced.</p>

<p>B.3</p>	<p>Progress Report.</p> <p>Provide a description of the PHA’s progress in meeting its Mission and Goals described in the PHA 5-Year Plan.</p> <p>The Housing Authority of the County of Santa Cruz reports progress on the following goals, as described in the 5-Year Plan.</p> <p>Goal: Expand the supply of assisted housing • The Housing Authority has project based 31 units at Pippin Orchards Apartments in Watsonville and 13 units at Sycamore Commons and La Playa Apartments in Santa Cruz. The Housing Authority has conditionally approved project based vouchers for 33 units currently under development on Water Street in Santa Cruz and 48 units under development for seniors at Sunrise Senior Apartments in Hollister, as well as 34 units of existing farmworker housing in Watsonville. Housing Authority staff have met with jurisdictional staff, owners, and developers to promote the expansion of the PBV program, and the use of this program to support the development of new affordable housing as well as the preservation of existing housing that is at risk of losing affordability requirements or is in need of substantial improvements. • The Housing Authority is exploring the possibility of developing affordable housing units on our parcel on Natural Bridges Drive.</p> <p>Goal: Increase assisted housing choices • The Housing Authority has worked with local jurisdictions to expand the Landlord Incentive Program. This incentive program offers up to \$2,500 to landlords who claim expenses beyond security deposits for tenant damages, vacancy loss, legal fees and other costs when a Housing Choice Voucher (HCV) tenant vacates a unit. This risk-mitigation program proactively addresses landlord fears they might be left with greater expenses from voucher-assisted tenants. In the past year, the program was expanded from homeless targeted voucher programs to all types of Housing Choice Vouchers (for the first year of tenancy). In the coming year, the program will be available to all Section 8 landlords in Santa Cruz County, regardless of their tenant’s length of tenancy (subject to funding limitations). • The Housing Authority also manages several Security Deposit Programs, funded by various jurisdictions within the County. The security deposit programs have made a big difference in assisting low income families in getting leased-up. Security deposit assistance makes more housing choices available to low-income families. Currently the Housing Authority is exploring a partnership with the City of Watsonville to expand the reach of security deposit programs. • To keep pace with rising market rents, the Housing Authority is utilizing Fair Market Rents (FMR) approved by HUD, based on ad hoc FMR studies commissioned by the Housing Authority. The more accurate local data is the foundation for our Payment Standards. These real-data payment standards directly increase housing choices for households with assistance. • The Housing Authority applies for all new voucher funding opportunities. Last year, our Agency was awarded 50 new Mainstream Vouchers to serve non-elderly persons with disabilities, 29 new VASH vouchers for homeless veterans, and 58 new Family Unification Program (FUP) vouchers to reunite parents with their children or prevent the out-of-home placement of children.</p> <p>Goal: Promote self-sufficiency and asset development of families and individuals • The Housing Authority has expanded participation in the Family Self-Sufficiency Program beyond minimum program levels to assist more households develop more independence and financial security. • The Housing Authority partners with agencies that promote self-sufficiency including community colleges, workforce development centers, mainstream benefit government, public libraries and economic justice organizations.</p> <p>Goal: Improve agency and program management • The Housing Authority has continued to maintain high performer status on both the Section 8 Management Assessment Program (SEMAP) and the Public Housing Assessment System (PHAS). • This year, the Housing Authority surveyed eight agencies that partner with us on special voucher programs. The agencies included the Department of Veterans Affairs, the County of Santa Cruz Health Services Agency, Encompass Community Services, the Homeless Services Center, Dignity Health Medial Group-Dominican, Housing Choices, and the Health Projects Center. The agencies answered key questions regarding what does our partnership accomplishes, what is working well, and what can we improve. The results demonstrated how essential access to housing assistance is to the clients of our respondents; great communication between our agency and theirs; and suggestions for improvements - which we are acting on this year, including making presentations to agency staff on housing authority programs.</p>
