From July 2020 to December 2024, the number of vouchers grew from 5,095 to 5,893 a net increase of 798. This includes 234 vouchers acquired through the Streamlined Voluntary Conversion, 280 Emergency Housing Vouchers (which are not permanent and will expire as families' attrition out of the program over time), 90 Mainstream Vouchers, 111 VASH vouchers, 41 Stability Vouchers, and 19 Foster Youth Independence (FYI) vouchers.</p> <p>c. <u>Increase the size of project-based voucher program by 300 vouchers, with at least 150 of those vouchers provided to new affordable housing developments</u> – The Housing Authority has exceeded this stated goal by over 35%. The number of vouchers under contract in our PBV Program has increased from 321 units in July 2020 to 728 units in December 2024, a significant increase of 407 units. With an additional 825 units conditionally approved in the pipeline the Housing Authority is poised to continue this expansion. The Housing Authority has contracted with an external construction project manager and will continue to build capacity within staff as well as working with external consultants as needed. ii. <u>Expand into affordable housing development and/or partnerships with developers.</u> The Housing Authority has secured administrative and funding flexibility through the MTW demonstration program to support the development of affordable housing and issued a Request for Qualifications for co-development partners in August 2024. Staff continue to pursue opportunities to engage in real estate activities including the acquisition, development, disposition, and financing of affordable housing, consistent with strategies approved by the Board of Commissioners. <p>2.
